Virtual Learning Academy (VLA)/Dual Credit Students

Interested in taking some courses online? Want to take some college courses while still in high school? Sign up for our VLA program. VLA students take courses (minimum of four) on campus and are enrolled in one to three online courses as well. VLA students have all the same privileges and responsibilities of any TCCS student (with a few minor exceptions such as not being eligible for Valedictorian and Salutatorian). All the preparation, learning, coursework, evaluation, etc. (utilizing 3rd party curriculum providers) is school directed rather than parent directed as in a home school program. All aspects of the TCCS program will be structured in such a way to maintain TCCS standards. The VLA is in compliance with CIF as an independent study program. **This is not a home school program.**
